quotation. By signing and returning the signed quotation to us, your company has expressly consented to such sub-contracting arrangement and our company does not need to obtain the prior written consent of your company. If we decide to subcontract part of the services to a qualified subcontractor, we will inform you of the same in due course.

Your company understands and agrees that in order to perform this quotation, your company may need to sign one or more contracts/agreements with a/more third party(ies) and establish legal relationships with that/those third party(ies) according to such contracts/agreements. Our company will merely bears the corresponding legal liability according to this quotation and the direct services actually to be provided by our company in the service process. If the relevant services are not directly provided by our company (including but not limited to any testing and certification services to be provided by third testing and certification bodies), our company will provide your company as agent for such relevant services. In order to achieve the purpose of the contract, your company hereby agrees that our company can also sub-entrust to a third party to provide agency services, but our company shall not bear any responsibility and / or risk for any services to be provided by any third parties (including but not limited to the testing and / or certification services to be entrusted and/or applied for by our company on behalf of your company to other third testing and/or certification bodies, agency services provided by any other third agent(s), etc.). Besides, your company shall be liable in accordance with the relevant laws and regulations and/or the terms under the contract. If your company is required to conduct any annual review/surveillance of the relevant testing and/or certification service results and pay additional fees in accordance with the relevant laws and regulations or the testing and certification rules, such fees are not within the scope of the contract price, your company shall timely perform the obligation of such annual review/surveillance and pay the corresponding fees. If your company fails to perform such obligations of the annual review/surveillance or fees payment, it may lead to adverse consequences such as failure/suspending/cancellation/invalidity of testing and/or certification results, which shall not be borne/liable by our company.

Decision rule is the rule that describes how measurement uncertainty is accounted for when stating conformity with a specified requirement. When decision rule is applicable, please refer to the current version announced in our website <https://www.tuv.com/landingpage/en/qm-gcn/>.

Regarding the services herein, if your company requests our company to send the relevant test samples, materials, etc. to any overseas laboratory or other places or sites to be designated by your company, our company shall not take any responsibilities or risks for any problems during such delivery and the transportation process (including but not limited to any loss or damages of the samples and/or the materials, etc.). Besides, the relevant freight fees shall be borne by your company.

"General Terms and Conditions of Business of TÜV Rheinland in Greater China" (See Attachment) shall be an integral part of this quotation and shall be binding on both your company and our company.

In the case of any discrepancy between the other terms and conditions of this quotation and "General Terms and Conditions of Business of TÜV Rheinland in Greater China", the other terms and conditions shall prevail.

By confirming this quotation as below and returning to us the signed copy, your company has confirmed that it has carefully read and fully understood the content of "General Terms and Conditions of Business of TÜV Rheinland in Greater China" and will be bound by the terms and conditions thereof. This quotation and all its attachments shall constitute the entire agreement between your company and our company in respect of the services to be provided under this quotation.

Your company and our company hereby agree that this quotation and its attachment shall be governed by the laws of the People's Republic of China.

Your company and our company hereby agree to resolve the dispute by one of the following methods:

Any dispute in connection with this quotation and/or its attachment or the execution thereof shall be settled friendly through negotiations. In the case that no settlement or no agreement in respect of the extension of the negotiation period can be reached within two months of the arising of the dispute, the dispute shall be submitted to the China International Economic and Trade Arbitration Commission (CIETAC) to be settled by arbitration under the Arbitration Rules of CIETAC in force when the arbitration is submitted. The arbitration shall take place in [Beijing/Shanghai/Shenzhen/Chongqing] and the decision of CIETAC shall be final and binding on both parties. The arbitration fee shall be borne by the losing party.

TÜV Rheinland cares about our environment and implements paper saving strategy. As part of it, we encourage our customers to accept electronic versions of reports and will, from now on, only send paper versions upon request. Please contact us if you have any concern. We sincerely appreciate your support in this regard.

If you accept all the terms and conditions of this quotation and its attachment, please sign and affix the official seal of your company and then return to us the signed quotation by means of fax or courier. You can also send the signed quotation back to us by means of email, in which case, the email will not be deemed as properly delivered to us unless it is confirmed by us with a reply email.

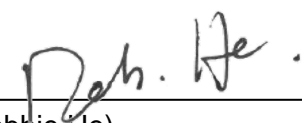

This quotation is hereby acknowledged and accepted by: BONECO AG
